Conclave

Ofi' Tohbi Lodge showed up in full spirit to the Section E3 Conclave at Camp Buck Toms over the weekend.

In late April, members of our lodge traveled to Tennessee for a Space Cowboys themed Conclave. Section E3 consists of nine lodges spread across eight states. Conclaves are an exciting opportunity for Arrowmen to build and strengthen bonds between lodges while having a great time!

Quest

Ofi' Tohbi Lodge competed in – and took home a trophy from – Quest games during Conclave.

During Conclave, the lodge participated in Quest games — a competition between lodges revolving around various games and skill events. Games including Tug of War and an obstacle course provided Arrowmen with the chance to compete against one another.

When asked about the Quest games, Jacob Zerangue (Vice Chief of Communication) noted the camaraderie within our lodge. Additionally, Zerangue pointed out how Ofi' Tohbi was able to win the Quest Award despite being one of the smaller groups.

"Through the entire event I saw everyone having fun and working together to lift each other up. Even though we were one of the smaller groups out there, we still won the Quest Award."

Lodge Chief Zek Crocker later accepted the trophy on the behalf of the Ofi' Tohbi Lodge.

Congrats!

Ceremonies

During Conclave, members of our lodge participated in trainings for various ceremonies that we utilize throughout the year. Looking back on the training, Arrowman JOEY ARNOLD said, “For our first time memorizing and going over our scripts we did better than I thought. There were a few times where we forgot a word or didn’t remember one, but other than that we did everything else correct.”

In Ofi’ Tohbi lodge, we have two members who oversee all ceremonies. The lodge’s Head of Ceremonies, Zek Crocker, had this to say when reflecting over Conclave’s trainings, “This was definitely the best ceremonies team I have seen in this lodge. They did great and only missed a few words.”

Additionally, the lodge’s Ceremonies Adviser, Ben Stepp, commented, “These guys did fantastic and they only missed a few words.”

Shenanigans

During the opening night of conclave Leo participated in one of the games

Leo playing a game

DESTROYING EVERY LODGE IN VOLLEYBALL

When we weren't playing the quest games we were playing volleyball

Ethan Wiginton had this to say about Camp Buck Toms, "I really enjoyed this camp, it was very nice. The only thing I didn't like about the camp was the food."

The Lodge Advisor Memo

Dear Arrowmen,

Welcome to summer!

We are incredibly proud of all you accomplished at the Section E3 Conclave! Ofi' Tohbi Lodge took home the *Quest* victory—an outstanding achievement. Thank you to everyone who participated and made this possible.

We also claimed the award for *Best Cut-Out* with our fantastic “Space Cowboy” design! Special thanks to Cadance, Erica, Jenna, and Trina for your creativity and dedication. Kudos to Leo and Ava for showing off their spirit in the *Best-Dressed Space Cowboy* contest.

Our Lodge Chief, Zek, represented us with excellence in OA Jeopardy. Many thanks to Jenna, Joey, Parker, Jackson, and Chandler for your meaningful performances in the ceremonies competition—we are so proud of each of you. A heartfelt thank you to Mr. Rob and David for serving as Quest judges, and to Ben, who joined me in evaluating ceremonies. It was truly a weekend to remember—filled with energy, pride, and fellowship.

Now, summer camp season is in full swing! Cub Camp is already behind us, and we're gearing up for an exciting summer. Our campfire practice is scheduled for **June 7th**, and we need all hands on deck to make this summer’s campfires unforgettable. Please come out and support this effort.

Summer camp officially begins on June 8th with two weeks of summer fun ahead! Don’t miss our **first OA Campfire Night on June 13th**, followed by the inaugural **Ofi' Tohbi Ice Cream Social** from 8:15 to 8:45 p.m. This free event is a wonderful opportunity to connect with fellow Arrowmen from across our council and celebrate lodge fellowship.

On **June 20th**, we will hold our **OA Vigil Campfire**, beginning with the first-ever **Ofi' Tohbi Vigil Dinner**, an event exclusively for Vigil members. Details will be shared via email.

Looking ahead, we are excited about **Post-Camp Inductions** scheduled for late June and early August. Thank you for your continued enthusiasm and service.

We are—*you are*—Ofi' Tohbi!

Yours in cheerful service,
Jennifer LeBlanc
